	AV018	HDMI module		
	A021	USB type A and C charger		
	AV011	BT master module		
	AV010	BT Slave module		
	AV016	RJ45 Cat 6 module		

Plate Care Instructions

This finish is protected by a Clear Ceramic Gloss lacquer. These plates must only be cleaned with a dry microfibre cloth. Under no circumstances should abrasive/solvent polishes or paint removing solvents/treatments be used. Under most conditions the finish guarantees full protection.

Fitting of Products

Installation on wet plaster or paint should be avoided at all times. All electrical products must be fitted by a fully qualified electrician, failure to adhere to this will void any warranty on the products.

Standards Conformance

All switches are designed and tested to BS EN 60669-1 and are suitable for UK metal flush boxes to BS4662. Boxes, plates and grids must be earthed and if fitted outside the UK permission/approval must be obtained by the local or national electricity supplier and/or approvals authority.

13 amp sockets conform to BS1363
5 amp & 2 amp sockets conform to BS546

All products are UKCA marked and comply with UK safety, EMC and environmental regulation where applicable.

All products are CE marked and comply with UK safety, EMC and environmental directives where applicable.

All products supplied by Focus SB in this range in compliance with The EU REACH Directive No 1907/2006 with respect to Substances/Chemical classified as SVHC

Warranty

Interiors: 12-month manufacturer warranty against product fault

Plates: 12-month manufacturer warranty against product fault
